

Nova Scotia Youth Corps Aboriginal Leadership Intern

Position Title:	MCG Jr. Research & Education Officer
Location:	Truro, Nova Scotia
Position Status:	Temporary, 15 weeks [May 15, 2017 – August 25, 2017]
Hours:	Full-time [35 hours per week]
Wage:	<u>Minimum</u> \$13.25 per hour

Clean makes homes more [energy efficient](#), [restores streams & watersheds](#), [engages youth](#) on the environment, promotes [green transportation](#), mitigates the effects of [stormwater](#), helps communities reduce [waste](#), and contributes to public policy discussions.

That's [what](#) we do. [Why](#) we do it is to help create a more sustainable society in Atlantic Canada. We work for a clean climate & clean water, and, to help us get there, we foster, educate and support clean leaders in our communities.

Clean is a non-profit, non-governmental environment organization created in 1988 through an [Act of the Legislature](#) in Nova Scotia. However, we receive no core government funding. We run the charity through money raised for our many programs and projects, which can come from agencies, businesses, government departments, foundations and individual citizens.

You may know us as Clean Nova Scotia, but we work on projects in other parts of Atlantic Canada, throughout the traditional lands of the Mi'kmaq and Wolastoqiyik. That's why we say we're just *Clean*.

We are currently seeking a hardworking, dynamic and motivated individual to add to our Nova Scotia Youth Corps (Youth Corps) Aboriginal leadership team for summer 2017, who has a strong passion for people and the environment. Our approach is always collaborative and team oriented.

Program Overview:

Youth Corps

In Nova Scotia, more than half of our young people leave the province after graduation. But what if they were given the skills and opportunities to join a vibrant green economy here at home?

The Youth Corps wants to inspire, develop and nurture an interest in jobs that support a future-looking economy and a sustainable environment. By tapping into a student's journey mid-way through school, our training and internship program offers new green options in career path decisions – while giving young minds the tools they need for future success.

The Youth Corps builds connections between youth and local organizations to stimulate stewardship for the natural environment and support the emergence of young community leaders. This is accomplished by providing students with training and employment opportunities through paid work placements with community-based organizations. And our Aboriginal Leadership Program builds on the Youth Corps to focus on the needs of First Nations youth while bringing traditional indigenous knowledge into the program. Our goal at Clean is to help build that foundation on which students can build their careers, and grow into the thoughtful, creative policy-makers and CEOs of tomorrow.

Leadership interns will gain meaningful experience in:

- Project and event planning and coordination;
- Mentorship and supervision of staff and/or volunteers;
- Training and facilitation skills;
- Public outreach and communication;
- Networking and cross-cultural learning;
- Environmental issues, adaptations and best practices.

Position Overview:

The community partner for this Summer Intern position through the Youth Corps will be The Confederacy of Mainland Mi'kmaq (CMM) reporting to the Director of Environment & Natural Resources and the Project Coordinator for the Atlantic Salmon Conservation Foundation Project (TBD). In this position, you will be mainly responsible for assisting the Project Coordinator with field work in the Barneys River, NS. These duties include: habitat assessments, temperature logger deployment and monitoring, locating potential Atlantic salmon spawning areas, providing shore support during snorkel surveys for Atlantic salmon, assisting on research and writing articles on field activities, and assisting with a stream restoration project in the Barneys River. A day in the field would require leaving Truro in the morning, spending the day doing various field activities in the Barneys River, and returning to the office at the end of day. The successful candidate needs to be able to swim, and is comfortable working outside in the field.

About the Community Partner:

The CMM is a Tribal Council representing seven, Mi'kmaq communities of mainland NS. Our mission is to proactively promote and assist Mi'kmaq communities' initiatives towards self-determination and enhancement of community. The CMM is located in the Millbrook Mi'kmaw Community in Nova Scotia and has over 50 Employees. The CMM is currently looking for an energetic, mature and independent candidate to fill the summer student position of Jr. Research and Education Officer with the MCG program.

Duties and Responsibilities:

- Planning and developing educational material and activities for youth and community members at community workshops and events.
- Conducting research on project topics and activities.
- Participating in field work activities on Barneys River, including
 - Habitat assessments,
 - Temperature logger deployment and monitoring,
 - Locating spawning areas for Atlantic Salmon,
 - Providing shore support during snorkel surveys, and
 - Stream Restoration activities;
- Assisting the MCG Jr. Research & Education Officer with data input and compiling reports on data collected;
- Writing monthly reports;

- Assisting the MCG Jr. Research & Education Officer with PowerPoint presentations for Management;
- Attending training opportunities as needed;
- Following safety procedures;
- Taking direction from the MCG Project Team and assisting with other project needs.

Requirements/Qualifications:

- One [1] year of university or college in a related field;
- Must be a Canadian citizen or legally entitled to work in Canada;
- Must be between the ages of 18 and 30;
- Must be a full-time student and intending to return to school in fall 2017;
- Must have reliable transportation and the ability to travel;
- Must possess excellent, written and oral communication skills;
- Must be able to swim;
- Is not a member of immediate family of community partner;
- Knowledge of computers an asset (Microsoft Word, Microsoft PowerPoint);
- Responsible and ability to work independently;
- Have an aptitude for safe work practices and the ability to multi-task in a busy work environment;
- Be able to work productively as part of a team while responding to feedback;
- Demonstrates interest in future employment in the environmental or 'green' sector is considered an asset.

To apply, fill out the online application [here](#). After you click the 'submit' button, you will be directed to a page where you can upload your cover letter(s), resume, and letter of reference. You can also access that page directly by [clicking here](#) – note that your reference can also submit their letter on your behalf directly through that page. Your application will not be considered until we have received all of your application materials.

The deadline to apply is midnight, April 2nd, 2017. We appreciate all interest; however, only those selected for an interview will be contacted.

We are an equal opportunity employer; however, qualified self-identifying Aboriginal applicants will be given priority for this position.

Clean is committed to Employment Equity and our goal is to be a diverse workforce that is representative at all job levels. We welcome applicants from Aboriginal People, Visible Minority Groups, Persons with Disabilities and Women in occupations of positions where they are under-represented. If you are a member of one of the equity groups, you are encouraged to self-identify on either your cover letter or resume.
