<b>Position Status:</b>	Temporary, 15 weeks [May 15, 2017 – August 25, 2017]
<b>Hours:</b>	Full-time [35 hours per week]
<b>Wage:</b>	<u>Minimum</u> \$13.25 per hour

Clean makes homes more [energy efficient](#), [restores streams & watersheds](#), [engages youth](#) on the environment, promotes [green transportation](#), mitigates the effects of [stormwater](#), helps communities reduce [waste](#), and contributes to public policy discussions.

That's [what](#) we do. [Why](#) we do it is to help create a more sustainable society in Atlantic Canada. We work for a clean climate & clean water, and, to help us get there, we foster, educate and support clean leaders in our communities.

Clean is a non-profit, non-governmental environment organization created in 1988 through an [Act of the Legislature](#) in Nova Scotia. However, we receive no core government funding. We run the charity through money raised for our many programs and projects, which can come from agencies, businesses, government departments, foundations and individual citizens.

You may know us as Clean Nova Scotia, but we work on projects in other parts of Atlantic Canada, throughout the traditional lands of the Mi'kmaq and Wolastoqiyik. That's why we say we're just *Clean*.

We are currently seeking a hardworking, dynamic and motivated individual to add to our Nova Scotia Youth Corps (Youth Corps) Aboriginal leadership team for summer 2017, who has a strong passion for people and the environment. Our approach is always collaborative and team oriented.

### Program Overview:

## Youth Corps

In Nova Scotia, more than half of our young people leave the province after graduation. But what if they were given the skills and opportunities to join a vibrant green economy here at home?

The Youth Corps wants to inspire, develop and nurture an interest in jobs that support a future-looking economy and a sustainable environment. By tapping into a student's journey mid-way through school, our training and internship program offers new green options in career path decisions – while giving young minds the tools they need for future success.

The Youth Corps builds connections between youth and local organizations to stimulate stewardship for the natural environment and support the emergence of young community leaders. This is accomplished by providing students with training and employment opportunities through paid work placements with community-based organizations. And our Aboriginal Leadership Program builds on the Youth Corps to focus on the needs of First Nations youth while bringing traditional indigenous knowledge into the program. Our goal at Clean is to help build that foundation on which students can build their careers, and grow into the thoughtful, creative policy-makers and CEOs of tomorrow.

Leadership interns will gain meaningful experience in:

- Project and event planning and coordination;
- Mentorship and supervision of staff and/or volunteers;
- Training and facilitation skills;
- Public outreach and communication;
- Networking and cross-cultural learning;
- Environmental issues, adaptations and best practices.
