

**Photo/Publication Consent Form**

We believe strongly in the need to protect all participants and recognize the issues around the publishing of participant images, especially on public Internet. We do however believe that showcasing participants and their achievements can be a very positive experience for our participants and their communities.

Throughout our program outreach, photographs may be taken of participants as part of a Clean Nova Scotia program. These image(s) may later be used to showcase program achievements or in presentations and outreach work. Clean Nova Scotia may use images of participants in various publications including media releases, promotional pieces and on the Clean Nova Scotia website (clean.ns.ca).

I understand that by signing this form that Clean Nova Scotia has asked my permission to use image(s) of \_\_\_\_\_ (name of participant) in print or online.

**I, \_\_\_\_\_, consent to the following:**

Clean Nova Scotia may publish images of me in print, on social media (official CNS Twitter or Facebook), or on the Clean Nova Scotia website.
