

## Registration Form

Thank you for your interest in the **Clean Energy Financing** Program administered by Clean Foundation (“Clean”) on behalf of your municipality.

By registering, you are applying for low-interest financing from the municipality to help you complete eligible clean energy upgrades to your home.

Additional information about the Clean Energy Financing Program can be found at [www.CleanEnergyFinancing.ca](http://www.CleanEnergyFinancing.ca). Any questions can be directed to Clean by emailing [CleanEnergyFinancing@clean.ns.ca](mailto:CleanEnergyFinancing@clean.ns.ca) or by calling 1-844-727-7818.

### **What's Next?**

Upon receipt of your completed Registration Form, Clean will assess your home’s eligibility based on the following:

- Home type and location: your home must be a detached, semi-detached, or row house style home located within the municipality’s boundary;
- Verification of property ownership;
- Confirmation that you are not in default of any municipal taxes, rates, or charges.

**Please note that by registering you consent to the municipality sharing the above information with Clean.**

After you qualify for the Clean Energy Financing Program, you will need to sign the Customer Agreement. Once this is signed, Clean can help you book a certified Home Energy Assessment.

*Note:* All financing payments must be made through a pre-authorized payment plan set up through the municipality.

**One of the goals of this program is for the total cost of clean energy upgrades, program fees, and cost of borrowing to be *less than or equal to* the estimated energy savings over the financing period. Please note that this debt-to-savings ratio will limit the eligibility of upgrades.**
