

**Clean Energy
Financing**
District of Yarmouth

Registration Form

Thank you for your interest in the **Clean Energy Financing** Program administered by Clean Foundation (“Clean”) on behalf of your municipality.

By registering, you are applying for low-interest financing from the municipality to help you complete eligible clean energy upgrades to your home.

Additional information about the Clean Energy Financing Program can be found at www.CleanEnergyFinancing.ca. Any questions can be directed to Clean by emailing CleanEnergyFinancing@clean.ns.ca or by calling 1-844-727-7818.

What's Next?

Upon receipt of your completed Registration Form, Clean will assess your home’s eligibility based on the following:

- Home type and location: your home must be a detached, semi-detached, or row house style home located within the municipality’s boundary;
- Verification of property ownership;
- Confirmation that you are not in default of any municipal taxes, rates, or charges.

Please note that by registering you consent to the municipality sharing the above information with Clean.

After you qualify for the Clean Energy Financing Program, you will need to sign the Customer Agreement. Once this is signed, Clean can help you book a certified Home Energy Assessment.

Note: All financing payments must be made through a pre-authorized payment plan set up through the municipality.

All contractor invoices need to be submitted to Clean Foundation by **February 15, 2020**.

One of the goals of this program is for the total cost of clean energy upgrades, program fees, and cost of borrowing to be *less than or equal to* the estimated energy savings over the financing period. Please note that this debt-to-savings ratio will limit the eligibility of upgrades.
